FAIR The Universe in the Laboratory

European GNURadio Days 2024
27th - 30th August
Darmstadt, Germany

- 7th instalment of European GNU Radio Days
- First time hosted outside of France,
  in Darmstadt, the "City of Science"
- Key event for the European Software-Defined-Radio community
  - focus on advancing SDR technology
    and fostering innovation
- Special Theme: Launch of GNU Radio 4.0,
  bridging academia and industry
